

“The advisory board is clearly a business tool whose time has come — if you are serious about your own success.”

Greig Clark, founder of College Pro Painters

Remember the passion and excitement you felt when you first started your business? When you couldn't wait to get your business cards, build your website and pull together the dream team that was going to help you make it all happen?

A PowerBoard will bring back all that passion and enthusiasm, and it will do it through strategy, focus and direction, the proven and winning combination that will get you the results you've been working so hard for.

Skeptical? Let us prove to you that it works. Even seasoned entrepreneurs agree, amazing things happen at a PowerBoard, including the "ah-ha" moments that redefine a business forever.

Check it out for yourself. Three FREE* hours that will get you recharged and moving in the right direction.

The FREE* PowerBoard Trial. In only three short hours you'll...

- Determine why you're in business (WIIFM Factor)
- Identify the top three "mission critical" areas to be addressed to move you forward
- Prioritize where and how to get started

If you can accomplish all this in only three hours, imagine where you'll be after a full year of PowerBoard meetings.

***Limited time offer. A \$300 value.**
